

Getting Started with Waterford Mentor

Your child is now one step closer to gaining the academic skills needed to start school with a love for learning!

Your first step as a Waterford UPSTART parent is to create a Waterford Mentor account.

Waterford Mentor is a parent platform that allows you to start Waterford UPSTART sessions, check your child's progress in the program, and access resources.

1

Create a Waterford Mentor Account

Visit mentor.waterford.org There are three ways to create a Waterford Mentor account:

1. Use your existing Google account

- Select Google from the Mentor login page.
- Fill in your account details.

2. Use your existing Facebook account

- Select Facebook from the Mentor login page.
- Fill in your account details.

3. Create an account with a new username and password

- Click Sign up at the bottom right of the login page.
- Enter a valid email address and a new account password, then click Sign up.
- You will receive a confirmation link through email to confirm your identity.
- Click on the confirmation link to finish creating your account.

2

Download the Waterford Mentor App

The Waterford Mentor app is available for Apple and Android devices.

- Go to your device's app store and search "Waterford Mentor" to find and download the app on your phone.
- Log in to the Waterford Mentor app the same way you log in to the Waterford Mentor website.

You and your child are now on their way to school readiness!
